
6th Annual

Leesville Community Turkey Trot

Thanksgiving - 8:30am - Harrington Grove Clubhouse

It's a community tradition that brings families, Leesville alumni, athletes and supporters together - over 900 strong - to give thanks for health, community, leadership and learning! For ten years now, the most inspiring members of the senior class at LRHS have been recognized and rewarded with scholarships so that community-minded values will remain a priority in our schools and in our society. Your support can help keep that tradition alive as we strive to fully fund the scholarship endowment fund!
